(June 15, 2021; Calabasas CA) Harbor Freight is adding to its popular line of chemical and garden sprayers with the introduction of its **Bauer 20V HYPERMAX Lithium-Ion Cordless 1-Gallon Chemical Sprayer**. The battery-powered **20V HYPERMAX Lithium-Ion Chemical Sprayer** can spray up to 70 gallons on just one charge and provides a continuous spray, making it ideal for covering large surfaces as well as garden tasks like applying weed killers, and insect sprays, feeding and liquid fertilizers.

Available at Harbor Freight stores or online (www.harborfreight.com), it's an incredible value at just **\$44.99** (Battery and charger sold separately.)

The new Bauer sprayer features:

- **Durable brass nozzle with adjustable spray settings:** Whether it's a fan spray to reach a wider area or a more directly targeted jet-stream spray, this product delivers what you need, where you need it most, providing the ultimate in control.
- **Integrated Wand Holder:** The innovative design allows for true one-handed operation. The wand can be locked into place freeing up your other hand to remove brush or foliage.
