**HARBOR FREIGHT TOOLS INTRODUCES NEW VULCAN® OUTLAW™ 195 ENGINE DRIVEN STICK WELDER WITH 6500 WATT PREDATOR® GENERATOR FOR SMOOTH HIGH QUALITY WELDING AND CONVENIENT JOBSITE POWER IN REMOTE LOCATIONS**

(Calabasas, CA; June XX, 2021) Harbor Freight Tools, America's go-to store for quality tools at the lowest prices, has introduced the new VULCAN® OUTLAW™ 195 Engine Driven Stick Welder with 6500 Watt Predator® Generator. This combination of two of Harbor Freight's most popular brands—Vulcan welding equipment and Predator generators—allows you to weld and power a jobsite anywhere. It's perfect for maintenance and construction repairs in remote locations or repairing farm equipment in the middle of a field.

This portable stick welder features a maximum DC welding output of 195A at 30% duty cycle and 107A at 100% duty cycle. Powered by a reliable 13 HP (420cc) Predator Engine that provides 6500 watts of starting power and 6000 watts running power, it includes 120V and 240V outlets for jobsite power. It features an electric start (12 volt battery included) with a manual backup and can run for 6.5 hours at 50% load. Inverter technology provides 195A Max DC welding output for smooth, high quality welds. The easy to read digital display enables fast, easy weld setups and thermal overload protection extends the welder life.

The Outlaw 195 Engine Driven Stick Welder comes with an electrode holder with 20 ft. lead, ground clamp with 13 ft. lead for extra reach, a 12 inch wheel kit for easy portability around the work site and a weather resistant cover.

A great value at a \$1,999.99 price point, the Outlaw 195 Engine Driven Stick Welder can only be ordered in Harbor Freight stores, and is on display in selected stores only. A list of those stores can be found on the product page on the Harbor Freight website, [here](#).

**About Harbor Freight Tools**

For more than 40 years, Harbor Freight Tools has been America's go-to source for affordable tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to the customer.

The company opened its first store in 1980. Today Harbor Freight Tools has more than 1,100 stores across the country, 23,000 employees and more than 40 million customers who depend on Harbor Freight's quality and value to earn a living, repair their

homes and cars and pursue their hobbies. With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 1200 new tools and accessories. Harbor Freight Tools is one of the nation's fastest growing retailers, opening two new stores every week.
