HARBOR FREIGHT TOOLS LAUNCHES BAUER™ Versatile Modular Tool Storage System

Collection Features Five Modules That Can Be Configured in More Than 50 Combinations

(March 29, 2022; Calabasas CA) Harbor Freight Tools is expanding its popular BAUER™ line with a modular tool storage system that can be configured in more than 50 combinations.

The durable, inter-locking system features five new products and can be easily maneuvered around rugged areas providing versatility, mobility and value for both the avid DIYer or weekend warrior. The new products in the customer-favorite lineup are:

BAUER Modular Rolling Toolbox

The essential base for the modular system features large, smooth-rolling wheels and an extendable handle with a comfort grip, designed for easy maneuverability even in tough conditions.

Made of high-impact resin, the rolling toolbox includes a removable organizer tray, ideal for storing wrenches, ratchets and screwdrivers.

Strong metal latches on either side keep tools secure while on the job and during transportation. In addition, it has a working load of up to 60 lbs. and is IP65 rated for dust and water resistance, keeping tools dry and protected whether on the job or at home.

Currently priced at \$69.99, the BAUER Modular Rolling Toolbox offers outstanding value.

BAUER Storage System Modular Organizer

To store small tools, accessories and parts, the modular organizer is ideal, allowing easy access to toolbox essentials.

This customizable organizer has 12 removable trays and features a transparent polycarbonate lid so you can easily see all contents. Heavy duty metal latches ensure the organizer attaches securely to the modular system, while a dust seal keeps tools clean and protected.

A great value, the BAUER Storage Modular Organizer is currently priced at \$34.99.

BAUER Large Modular Toolbox

A versatile addition to the modular storage system, the large toolbox measures 21½ inches in length, 12½ inches in height, and weighs 10.2 lbs. This spacious toolbox includes removable tool cards for optimal organization.

Made of sturdy high-impact resin, the large toolbox has side handles for a comfortable grip and is IP65 rated for dust and water resistance. With strong metal latches, the toolbox can be quickly added or removed to the modular system, maximizing time and efficiency while on the go.

The BAUER Modular Tool Box is an outstanding value, currently priced at \$39.99.

BAUER Small Modular Toolbox

Built tough, the small toolbox is a welcome and customizable addition to the modular system. For added convenience, the toolbox includes six removable organizer trays with lids, ensuring tools, parts and accessories are always within reach.

The small toolbox is 20¾ inches in length, 7¼ inches in height, and has 25 lb. weight capacity. Dust and water-resistant, the toolbox has metal latches to keep contents securely stowed whether on the job or during transportation.

Currently priced at \$29.99, the BAUER Small Modular Toolbox offers incredible value.

BAUER Modular Storage Tote

Designed with durability and portability in mind, the modular storage tote is a must-have for carrying tools and accessories.

Easy to carry with two side handles, the open tote weighs just 4 lbs., yet has a working weight capacity of up to 50 lbs., so drills, wrenches, screwdrivers and other essentials can be accessed quickly and conveniently.

The BAUER Modular Storage Tote is priced at \$19.99.

Harbor Freight Tools has invested tens of millions of dollars in its quality assurance labs, to ensure you are getting a quality tool that is durable and dependable at a price that's hard to beat.

About Harbor Freight Tools

For more than 40 years, Harbor Freight Tools has been America's go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to customer. Today more than 40 million customers depend on Harbor Freight's quality and value to earn a living, repair their homes and cars and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation's fastest growing retailers, with more than 1,200 stores across the country and opening two new stores every week. With 24,000 Associates,

the company was recently recognized for the second year in a row by *Forbes* as both one of the 20 best large companies to work for in retail and the nation's Number One Employer for Veterans in its category. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, one of the best large companies for diversity. The company has also been recognized as one of the country's top employers in terms of diversity and inclusion by DiversityJobs.com.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
