HARBOR FREIGHT TOOLS LAUNCHES NEW DAYTONA™ 350 LB CAPACITY PREMIUM ADJUSTABLE HEADREST CREEPER

(May 26, 2022; Calabasas CA) Harbor Freight Tools is adding to its popular DAYTONA™ lineup with the new 350 lb Capacity Premium Adjustable Headrest Creeper.

Designed and engineered for the professional mechanic or auto enthusiast, the creeper's headrest can be adjusted four ways, with just one hand—from flat to varying degrees of elevation—to help prevent neck strain while working under a vehicle. These four versatile configurations make hard-to-reach areas accessible quickly and easily. Six smooth-rolling low-profile casters provide maximum maneuverability around the garage or workshop.

For added comfort while working on a vehicle, the DAYTONA 350lb Capacity Premium Adjustable Headrest Creeper is constructed with high-density foam padding. The durable vinyl cover is textured to prevent slipping and easily wipes clean.

With a heavy-duty steel frame, the creeper can support up to 350 lb, is 39 5/8 in long, 17 ½ in wide and weighs 16.75 lb.

The DAYTONA Adjustable Headrest Creeper comes fully assembled and is an incredible value at \$74.99.
