HARBOR FREIGHT TOOLS INTRODUCES COBRA™ 8 CHANNEL 4K INDOOR/OUTDOOR NVR SECURITY CAMERA SYSTEM WITH DUAL CAMERAS

Owners Can Monitor 24/7 at No Additional Cost

(June 10, 2022; Calabasas CA) Harbor Freight Tools has launched the COBRA™ 8 Channel 4K Indoor/Outdoor NVR (Network Video Recorder) Security System with two cameras for added security in and around the home, garage or workshop.

The COBRA system allows owners to monitor 24/7. Pre-installed with a substantial 1TB* hard drive, videos can be saved locally for added safety and protection, with no hidden cloud fees. For premium picture quality, the system is equipped with 4K resolution and a 90° wide angle viewing area with a range up to 130 feet**. A Wi-Fi connection is required if monitoring via a mobile device or tablet.

Up to eight cameras can be connected to the system, which includes night vision and thermal-sensing motion detection.

The COBRA system was built for both indoor and outdoor use. With an IP66 rating for weather resistance, the COBRA Camera can withstand extreme temperatures—hot or cold—as well as snow and heavy rain.

Other features include HDMI and VGA outputs.

An ethernet cable to power the cameras and transmit video is also included.

Available in-store and online, the COBRA 8 Channel 4K Indoor/Outdoor NVR Security System is competitively priced at \$399.99.

Other products in the COBRA lineup include the 4K NVR Indoor/Outdoor POE Weather Resistant Camera (\$99.99) and the 8 Channel 1080p NVR Wireless Security System with Two Weather Resistant Cameras (\$249.99).

Explore the full COBRA lineup at: www.harborfreight.com.

*1TB means one terabyte of standard data storage. Actual data capacity for NVR format may be less.

** Night vision distance range up to 130 ft. is under ideal conditions. Objects may be partially or completely obscured, depending on the camera position.

About Harbor Freight Tools

For 45 years, Harbor Freight Tools has been America's go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to customer. Today more than 40 million customers depend on Harbor Freight's quality and value to earn a living, repair their homes and cars and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation's fastest growing retailers, with more than 1300 stores across the country and opening two new stores every week. With 25,000 Associates, the company was recently recognized for the second year in a row by *Forbes* as both one of the 20 best large companies to work for in retail and the nation's Number One Employer for Veterans in its category. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, one of the best large companies for diversity. The company has also been recognized as one of the country's top employers in terms of diversity and inclusion by DiversityJobs.com.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
