HARBOR FREIGHT TOOLS ADDS POWERFUL 20V CORDLESS CUT-OUT TOOL TO ITS PROFESSIONAL HERCULES™ LINE

(June, 2022; Calabasas CA) Harbor Freight Tools has added a 20V Cordless Cut-Out Tool to its professional quality HERCULES™ line.

Designed with the professional and dedicated DIYer in mind, the Cut-Out Tool has a high-speed motor with sealed bearings. The powerful 27,000 RPM motor makes fast plunge cuts in drywall, plywood and acoustical ceiling tiles for light fixtures and switches.

The Cut-Out Tool features a sealed switch for jobsite durability and an adjustable guide, allowing for precise depth control. It has ¼ and ⅝ inch collets for a wide range of bits. The tool-free bit change makes it quick and convenient to swap spiral cutting bits for carbide bits to cut harder materials, minimizing downtime on the job.

For maximum visibility, a bright LED light illuminates the work area, essential when working in darker spaces such as closets or attics. A lock-on switch helps reduce hand fatigue during lengthy cutting jobs.

The Cut-Out Tool is 9.65 inches in height, 11 inches in length and weighs a light 2.05 lbs. A handy belt hook is included, ensuring the tool can be accessed easily and quickly.

The Cut-Out Tool is powered by the HERCULES™ 20V Lithium Ion Battery System, sold separately.

Currently priced at \$79.99, the HERCULES 20V Cordless Cut-Out Tool offers exceptional value.

About Harbor Freight Tools

For 45 years, Harbor Freight Tools has been America's go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small

phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to customer. Today more than 40 million customers depend on Harbor Freight's quality and value to earn a living, repair their homes and cars and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation's fastest growing retailers, with more than 1300 stores across the country and opening two new stores every week. With 25,000 Associates, the company was recently recognized for the second year in a row by *Forbes* as both one of the 20 best large companies to work for in retail and the nation's Number One Employer for Veterans in its category. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, one of the best large companies for diversity. The company has also been recognized as one of the country's top employers in terms of diversity and inclusion by DiversityJobs.com.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
