HARBOR FREIGHT TOOLS INTRODUCES FULLY CUSTOMIZABLE BAUER™ HEAVY DUTY TOOL BELT SYSTEM

(August, 2022; Calabasas CA) Harbor Freight Tools is adding a fully customizable tool belt to its popular BAUER™ line of products.

The versatile BAUER Heavy Duty Tool Belt System offers 11 different components, which allows customers to customize the components to match the individual needs of each project. The available products in the new BAUER Tool Belt System are:

Heavy Duty Padded Work Belt

The Heavy Duty Work Belt is the base for adding tool pouches, holsters, and other accessories. Constructed with durable 1680D fabric and breathable mesh padding, the Work Belt is double-stitched to protect against sagging and excess hanging. It also includes non-twisting D-rings for use with suspenders.

Currently priced at \$12.99, the Heavy Duty Padded Work Belt is an essential part of the tool kit for pros and DIYers alike.

Padded Tool Belt Suspenders

The Padded Tool Belt Suspenders support heavy tools and include quick-release clips so that tools can be easily removed when needed. Featuring padded shoulders and a chest strap, the Suspenders are constructed from durable 1680D fabric for added durability and comfort on the jobsite. They can be adjusted in length from 8-3/8 in. to 16-3/4 in.

Currently priced at \$14.99.

Heavy Duty Power Tool Hook

The Heavy Duty Power Tool Hook is constructed from rugged powder-coated steel and durable 1680D fabric. It features reinforced stress points, ideal for carrying heavy drills and air guns. The rear padding and long length provide protection from bumping the user's leg while on the job.

Currently priced at \$11.99.

23 Pocket Electricians Pouch

This Electricians Pouch has 23 loops and pockets, ensuring heavy tools and flashlights stay organized. Weighing just 2.1 lbs., the Electricians Pouch has a removable shoulder strap which allows for easy transportation while on the job, and the pouch can be worn either across the body or over the shoulder.

Currently priced at \$29.99.

14 Pocket Electricians Pouch

This versatile Pouch includes 14 pockets and loops. Made from durable 1680D fabric, the Pouch has an electrical tape strap and hook, so heavy tools and tape can be carried around easily.

Currently priced at \$11.99.

Four Pocket Drill Holster

Designed for carrying a large drill, fasteners, flashlights, hand tools, and accessories, the Four Pocket Drill Holster offers a large drill pocket, complete with handle clip, to hold the drill securely.

A drawstring closure pocket keeps screws and other fasteners in place while moving around the jobsite.

Currently priced at \$11.99.

Four Pocket Dual Ring Hammer Holster

The Hammer Holster has a dual steel ring, which keeps the hammer secure and provides protection from movement and bumping against the user. It features four pockets and loops to keep tools and accessories organized. The Hammer Holster is constructed from durable 1680D fabric that also protects against moisture for added durability.

Currently priced at \$11.99.

12 Pocket Framers Pouch

The rugged 12 Pocket Framers Pouch has 12 specialized pockets which have been sized for nails, nail sets, drivers and other tools regularly used by framers, electricians, carpenters and contractors. The Pouch, constructed from durable 1680D fabric, features a steel hammer loop and its versatile design allows for the Pouch to be used either on or off the Tool Belt System.

Currently priced at \$11.99.

10 Pocket Carpenters Pouch

Built to withstand tough jobsites, the heavy duty 10 Pocket Carpenters Pouch is made from durable 1680D fabric and has a tunnel loop, which fits most tool belts. A steel hammer loop allows for easy access, while 10 various sized pockets keep tools, screws, a tape measure and carpenter squares organized and handy.

Currently priced at \$15.99

Seven Pocket Utility Pouch

The Utility Pouch features seven pockets and an electrical tape strap and hook, allowing for both tools and tape to be carried around easily. Made from durable 1680D fabric, it can attach to either a tool belt or be used by itself.

Currently priced at \$11.99.

Five Pocket Utility Holster

The Five Pocket Utility Holster features various sized pockets, which can carry a variety of tools and accessories, including wrenches, screwdrivers and pliers. It features reinforced stress points for added strength. Currently priced at \$9.99.

About Harbor Freight Tools

For 45 years, Harbor Freight Tools has been America's go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to customer. Today more than 40 million customers depend on Harbor Freight's quality and value to earn a living, repair their homes and cars and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation's fastest growing retailers, with more than 1300 stores across the country and opening two new stores every week. With 25,000 Associates, the company was recently recognized for the second year in a row by *Forbes* as both one of the 20 best large companies to work for in retail and the nation's Number One Employer for Veterans in its category. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, one of the best large companies for diversity. The company has also been recognized as one of the country's top employers in terms of diversity and inclusion by DiversityJobs.com.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
