HARBOR FREIGHT TOOLS INTRODUCES ITS FIRST BAUER™ 20V CORDLESS HANDHELD AIRLESS PAINT SPRAYER

(September, 2022; Calabasas CA) Harbor Freight Tools is adding to its BAUER™ lineup with a 20V Cordless Handheld Airless Sprayer. Built for the handyman and avid DIYer, the BAUER 20V Cordless Handheld Airless Sprayer is perfect for projects like painting doors, furniture, fencing, patio decks, and other small surfaces. It gets the job done up to 10 times faster than using a regular paintbrush.

Using Harbor Freight's AVANTI® technology, the sprayer works with unthinned paints, stains, and varnishes. It includes two AVANTI patented spray tips—a 514 reversible tip for medium viscosity materials and a 312 reversible tip for thin to medium viscosity materials. Both tips provide a superior finish while using less pressure.

The Airless Sprayer features a Quick Prime System and a high/low speed control to ensure precision, control, and efficiency.

As part of the BAUER 20V lineup, the Sprayer is compatible with all BAUER batteries.

The BAUER 20V Cordless Handheld Airless Sprayer comes with three cup liners, storage fluid, cleaning brush, cleaning tool, 514 reversible AVANTI spray tip, 312 reversible AVANTI spray tip, two extra bleed valve plugs, and a cup support adapter.

The Sprayer is lightweight at just 5.2 pounds, making it both portable and easy to hold for longer periods of use. A shoulder strap is also included for even more comfort and convenience.

Currently priced at \$199.99, the BAUER 20V Cordless Handheld Airless Sprayer is an excellent value.

BAUER batteries sold separately include the 20V 1.5 Ah High Capacity Lithium Ion Battery (\$24.99), 20V 3.0 Ah High Capacity Lithium Ion Battery (\$44.99), and the 20V 5.0 Ah High Capacity Lithium Ion Battery (\$59.99).
