## **DAYTONA™ ADDS ULTRA-LOW PROFILE HIGH-PERFORMANCE RACING JACK TO ITS PRO-GRADE LINE AT HARBOR FREIGHT TOOLS**

(October 27, 2022; Calabasas CA) DAYTONA™, Harbor Freight Tools' best-selling professional grade line of jacks, jack stands, and other automotive essentials, has introduced a 1.5 ton Ultra-Low Profile Lightweight High-Performance Aluminum Racing Jack.

Engineered for auto enthusiasts and professional mechanics, the DAYTONA™ Ultra-Low Profile Lightweight High-Performance Aluminum Racing Jack is built to the highest standards and meets or exceeds all current standards under The American Society of Mechanical Engineers' Safety Standards for Portable Automotive Service Equipment (ASME/PASE).

The Aluminum Racing Jack provides extra clearance under custom and high-performance sports cars, with a minimum saddle height of just 2-3/8 inches. It has a maximum lift height of 16-1/8 inches and can lift up to 3,000 lbs.

Its RAPID PUMP® technology features a dual-piston hydraulic system that lifts vehicles quickly with twice the height per pump of standard jacks, and provides precise load control while lifting and lowering. RAPID PUMP® allows most vehicles to be raised with three pumps and in less than five seconds without damaging rocker panels. To protect against marring, the jack has a rubber saddle pad and an extra-long 47-5/8 inch two-piece knurled aluminum handle with foam bumper.

Lightweight and portable, the Aluminum Racing Jack is made of aircraft-grade aluminum and weighs just 36 lbs., making it easy to maneuver around a garage or to transport to the racetrack.

Currently priced at \$349.99, the DAYTONA™ 1.5 ton Ultra-Low Profile Lightweight High-Performance Aluminum Racing Jack with RAPID PUMP® offers outstanding quality and value compared to the competition.

### **About Harbor Freight Tools**

For 45 years, Harbor Freight Tools has been America's go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small

phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to customer. Today more than 40 million customers depend on Harbor Freight's quality and value to earn a living, repair their homes and cars and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation's fastest growing retailers, with more than 1300 stores across the country and opening two new stores every week. With 25,000 Associates, the company was recently recognized for the second year in a row by *Forbes* as both one of the 20 best large companies to work for in retail and the nation's Number One Employer for Veterans in its category. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, one of the best large companies for diversity. The company has also been recognized as one of the country's top employers in terms of diversity and inclusion by DiversityJobs.com.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
