HARBOR FREIGHT TOOLS INTRODUCES NEW 12 TON HEAVY DUTY HYDRAULIC BOTTLE JACK TO ITS POPULAR DAYTONA™ LINE

(March 20, 2023; Calabasas, CA) Harbor Freight Tools has added a new 12 Ton Heavy Duty Hydraulic Bottle Jack to its popular DAYTONA™ line.

Designed for the professional mechanic or auto enthusiast, the DAYTONA Bottle Jack meets or exceeds all current standards under the American Society of Mechanical Engineers' Safety Standards for Portable Automotive Service Equipment (ASME/PASE).

Engineered to handle loads up to 24,000 lbs., the Bottle Jack's multi-directional design allows it to be used in vertical, angled, and horizontal positions without leaking. When lifting a vehicle for tire changes, or for routine maintenance, the extension screw top allows for height adjustments up to 18-5/8 inches.

With a carry handle for added mobility, the Bottle Jack features an inline design for ease of use when pushing, moving, or lifting a large vehicle. A chromed pump piston and ram provide corrosion resistance.

Currently priced at \$79.99, the DAYTONA 12 Ton Heavy Duty Bottle Jack is available online and in stores, only at Harbor Freight.
