## **HARBOR FREIGHT TOOLS INTRODUCES UNIVERSAL PORTABLE BAND SAW BENCHTOP STAND TO ITS HERCULES™ LINE**

(June 27, 2023; Calabasas, CA) Harbor Freight Tools is adding a Universal Portable Band Saw Benchtop Stand to its professional HERCULES™ line.

Compatible with most cordless and corded portable band saws, the Benchtop Stand converts a band saw into a precise, horizontal or vertical cutter. Featuring an easy-to-use design, the Stand converts between both configurations within seconds.

For added convenience, the HERCULES Universal Portable Band Saw Benchtop Stand has pre-drilled holes to mount it permanently on a workstation. Alternatively, the Stand can easily be carried to a jobsite for maximum portability.

For metalwork and fabrication, the Stand cuts at multiple angles and has angle guides of 0, 30, 45, and 60 degrees.

Quick-release gas struts allow the user to hold the band saw in an open position during horizontal cuts, and the Stand has a clamp slot for securing the workpiece. The clamp is sold separately.

Made from durable steel, the Stand includes a benchtop stand, vertical table stand, and mounting brackets.

Currently priced at \$99.99, the HERCULES Universal Portable Band Saw Benchtop Stand is an incredible value and is available only at Harbor Freight.
