HARBOR FREIGHT TOOLS INTRODUCES HERCULES™ 8 AMP 6 INCH FORCED ROTATION DUAL ACTION POLISHER

(June 29, 2023; Calabasas, CA) For the first time, Harbor Freight Tools is adding an 8 Amp 6 in. Forced Rotation Dual Action Polisher to its HERCULES™ line of professional tools.

The versatile 8 Amp 6 in. Forced Rotation Dual Action Polisher combines the power and speed of variable-speed rotary polishers along with the user-friendly orbital motion of a dual-action buffer, which generates less friction and heat on the surface, protecting temperature-sensitive finishes.

With six speed settings—from 3,200 to 9,600 OPM (oscillations per minute)—the Forced Rotation Dual Action Polisher ensures precision work when detailing and performing paint correction involving sanding, compounding, polishing, or waxing.

Engineered to provide superior results on all types of detailing work, the Forced Rotation Dual Action Polisher removes swirls, scratches, and hard-water spots from vehicles quickly and easily. The powerful tool allows all users, from beginners to professionals, to achieve professional results in less time.

A soft-start variable-speed trigger helps reduce product sling for less mess. Non-marring touch points allow for placement anywhere during use.

For reduced user fatigue and comfort, the tool uses MVC (maximum vibration control) technology and has an ergonomically designed handle. An adjustable knob allows the user to set the grip position for added balance and control.

An extra-long 25 ft. rubber cord provides flexibility to reach areas without an extension cord.

A premium six-inch hook and loop backing pad and 8mm hex wrench are included.

Currently priced at \$124.99, the HERCULES 8 Amp 6 in. Forced Rotation Dual Action Polisher is an excellent value, available only at Harbor Freight.

Check out the full HERCULES lineup of professional-grade tools, including sanders, grinders, drills, and drivers at [harborfreight.com](https://www.harborfreight.com).

For more information on the HERCULES 8 Amp 6 in. Forced Rotation Dual Action Polisher—or any of the products in the HERCULES lineup—please contact the Newsroom at Newsroom@harborfreight.com.

About Harbor Freight Tools

For more than 45 years, Harbor Freight Tools has been America's go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to the customer. Since then, over 75 million customers have depended on Harbor Freight's quality and value to earn a living, repair their homes and cars, and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation's fastest growing retailers, with more than 1400 stores across the country and opening two new stores every week. With 25,000 Associates, the company was recently certified as a "Great Place to Work™" and has been recognized three years in a row by *Forbes* as one of the 20 best large companies to work for in retail and one of the nation's Best Employers for Veterans. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, and one of the best large companies for diversity. The company has also been recognized for the past two years as one of the country's top employers in terms of diversity and inclusion by DiversityJobs.com, by *Fortune* as One of America's Most Innovative Companies and by *Newsweek* magazine as One of America's Most Trustworthy Companies both for 2023.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
