(July 26, 2023; Calabasas, CA) Harbor Freight Tools is adding a versatile 8-inch Heavy Duty Professional Bench Grinder to its HERCULES® line.

Engineered with a powerful 1 HP induction motor, this Heavy Duty Bench Grinder offers heavy duty grinding, and can be used for a variety of jobs including sharpening, polishing, reshaping, and repairing metal.

Added features include reliable, sealed, and lubricated ball bearings, along with machined and balanced clamp washers that hold the grinding wheels in place securely for lower vibration. Rubber-mounted feet keep the bench grinder stable during use.

For added safety, the HERCULES Bench Grinder has a guarded toggle switch with safety key, and two extra-wide adjustable eye shields to protect against flying debris and sparks.

Vitrified low- and medium-grit grinding wheels, 36 and 60 grit, are included.

Currently priced at \$199.99, the HERCULES™ 8 in. Heavy Duty Professional Bench Grinder is a great value and is available only at Harbor Freight.
