HARBOR FREIGHT TOOLS INTRODUCES HIGHLY ANTICIPATED NEW PRODUCTS TO ITS U.S. GENERAL® SERIES 3 STORAGE LINE

56 in. Roll Cab Top Chest and Work Center Hutch Are Launched in Next Generation of Quality Affordable Tool Storage

(September 7, 2023; Calabasas, CA) Harbor Freight Tools is adding a 56 in. Roll Cab, 56 in. Top Chest, and 56 in. Work Center Hutch to its popular U.S. GENERAL® Series 3 modular storage line. The new products are part of the latest generation of quality and affordable storage and are available in eight colors, all with black trim.

Designed by Harbor Freight's engineering team, all U.S. GENERAL Series 3 products are designed to industry-leading standards and are rigorously tested in our state-of-the-art testing facility in the USA.

U.S. GENERAL Series 3 56 in. Roll Cab

This U.S. GENERAL Series 3 Roll Cab features 23,500 cubic inches of storage space and has a 4,400 lb. weight capacity. It has eight spacious drawers, including two large-width top drawers for storing larger, heavy tools.

An in-drawer charging system provides five 120V outlets and two USB outlets to charge tools and batteries. Other drawer features include full-length latches and 120 lb. weight capacity for each pair of ball bearing slides. An integrated single barrel lock keeps tools secure.

Four six-inch casters—two fixed and two swivel-locking—allow the unit to be moved easily around a workspace, even when fully-loaded. To minimize tool movement, pre-cut nonslip drawer liners are included.

The U.S. GENERAL Series 3 56 in. Roll Cab is currently priced at \$899.99.

U. S. GENERAL Series 3 56 in. Work Center Hutch

The U.S. GENERAL Series 3 Work Center Hutch has 19,900 cubic inches of storage space and holds many tools such as diagnostic tablets, hand tools, and drills. It features an easy-opening door with dual gas struts and integrated power ports for charging batteries and tools. A rubber work mat is included to protect the work surface during use.

A slotted back wall can be used for shelves, bins, racks, and other tool accessory organizers. An aerosol can holder and screwdriver rack are included. An integrated single barrel lock keeps tools secure.

The U.S. GENERAL Series 3 56 in. Work Center Hutch is currently priced at \$499.99.

U.S. GENERAL Series 3 56 in. Top Chest

The 56 in. Top Chest has eight drawers, a spacious top compartment, and 20,100 cubic inches of storage.

A built-in power port charges batteries and tools even when the lid is closed. The lid features easy-to-open and durable gas struts and is reinforced for extra strength to avoid sagging or warping.

Full-width drawer latches allow the user to open the drawer quickly and easily from any point on the drawer, and the full-extension ball-bearing drawer slides support up to 120 lbs. per pair. Nonslip pre-cut drawer liners ensure minimum movement of contents, while a single-point barrel lock keeps tools secure.

The U.S. GENERAL Series 3 56 in. Top Chest is currently priced at \$599.99.

U.S. GENERAL Series 3 is available in eight colors: black, red, blue, green, orange, yellow, white, and slate gray. All feature black trim and a tough powder-coated finish for added durability.

For more information on U.S. GENERAL Series 3—or any of the products in the U.S. GENERAL lineup available only at Harbor Freight—please contact the Newsroom at Newsroom@harborfreight.com.

About Harbor Freight Tools

For more than 45 years, Harbor Freight Tools has been America's go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to the customer. Since then, over 75 million customers have depended on Harbor Freight's quality and value to earn a living, repair their homes and cars, and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation's fastest growing retailers, with more than 1400 stores across the country and opening two new stores every week. With 25,000 Associates, the company was recently certified as a "Great Place to Work™" and has been recognized three years in a row by *Forbes* as one of the 20 best large companies to work for in retail and one of the nation's Best Employers for Veterans. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, and one of the best large companies for diversity. The company has also been recognized for the past two years as one of the country's top employers in terms of diversity and inclusion by DiversityJobs.com, by *Fortune* as One of America's Most Innovative Companies and by *Newsweek* magazine as One of America's Most Trustworthy Companies both for 2023.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
