## **HARBOR FREIGHT TOOLS INTRODUCES NEW BLACK WIDOW BY SPECTRUM™ AIR SPRAY GUNS AT SEMA**

(November 3, 2023; Las Vegas, NV) Harbor Freight Tools introduced two new BLACK WIDOW BY SPECTRUM™ Air Spray Guns at SEMA (Specialty Equipment Market Association), the nation's premier auto industry show today.

Engineered for auto restoration professionals, the new products are the Professional HVLP (High Volume Low Pressure) Gravity Feed Air Spray Gun and the Professional HTE (High Transfer Efficiency) Compliant Gravity Feed Air Spray Gun with Rear Fan Control.

Both are lightweight and feature precision adjustment control knobs for superior spray-pattern control, a single pivot trigger, and long-life self-adjusting seals for less maintenance. All controls are on one axis, which provides ease of operation for either right-handed or left-handed users. A coated interior allows for easy cleanup.

Other features include superior transfer efficiency, a forged body for long life, and hose swivel fittings.

The BLACK WIDOW BY SPECTRUM Air Spray Guns will be available in stores and online early 2024 and available only at Harbor Freight.
