HARBOR FREIGHT TOOLS INTRODUCES ITS HIGHLY ANTICIPATED ICON™ PROFESSIONAL T8 WIRELESS DIAGNOSTIC SCANNER

High-Tech Tablet Introduces a New Low Price Point for Professional Scanners

(January 17, 2024; Calabasas, CA) Harbor Freight Tools is adding the highly anticipated T8 Intelligent Diagnostic Scanner to its professional ICON™ line.

The Diagnostic Scanner—the first of its kind for the ICON brand—is currently priced at \$899.99, substantially less than the competition, providing a high-quality, more affordable option for professional diagnostics, and is available only at Harbor Freight.

The low price includes two years of access to IDENTIFIX® CODE-ASSIST and diagnostic database software updates.

The unit has a powerful 2.0 GHz quad-core processor for lag-free operation and wireless vehicle communication capability. Fast and easy to use, the Scanner is compatible with 1996 and newer domestic, Asian, European, and exotic vehicles.

The ICON T8 Scanner has an 8-inch IPS (in-plane switching) touch screen with multi-touch, and wireless OBD2 scanning. It has a holder for its stylus, along with a flip-out stand located on the back of the Diagnostic Scanner for added convenience. It also comes with a premium heavy duty storage case with hinge pins that can easily be removed to convert the case into a superior tool tray.

ICON T8 Technical Support is available to assist customers at no charge with any questions they may have regarding ICON diagnostic products and can be contacted at 877-987-4248 or email icondiagnostics@harborfreight.com.

Explore the entire professional-grade ICON line, including tool storage, hand tools, and shop equipment at www.harborfreight.com.

For more information on the ICON T8 Intelligent Diagnostic Scanner—or any of the products in the ICON lineup—please contact Donna Walker at DWalker@harborfreight.com or the Corporate Newsroom at Newsroom@harborfreight.com.

Harbor Freight. As good as the best for a whole lot less.

About Harbor Freight Tools

For more than 45 years, Harbor Freight Tools has been America’s go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father’s small phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to the customer. Since then, over 75 million customers have depended on Harbor Freight’s quality and value to earn a living, repair their homes and cars, and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation’s fastest growing retailers, with more than 1400 stores across the country and opening two new stores every week. With 28,000 Associates, the company was recently certified as a “Great Place to Work™” and was listed in the top ten on Fortune’s Best Workplaces in Retail for 2023. Harbor Freight has been recognized three years in a row by *Forbes* as one of the 20 best large companies to work for in retail and one of the nation’s Best Employers for Veterans. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, and one of the best large companies for diversity. The company has also been recognized for the past two years as one of the country’s top employers in terms of diversity and inclusion by DiversityJobs.com, by *Fortune* as One of America’s Most Innovative Companies and by *Newsweek* magazine as One of America’s Most Trustworthy Companies both for 2023.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories so customers know that whatever they do, they can do it for less at Harbor Freight. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
