HARBOR FREIGHT TOOLS ADDS POWERFUL, VERSATILE 13,000 WATT TRI-FUEL GENERATOR WITH REMOTE START TO ITS PREDATOR® LINE

(March 6, 2024; Calabasas, CA) Harbor Freight Tools has added a versatile 13,000 Watt Tri-Fuel Portable Generator with Remote Start and CO SECURE® Technology to its popular PREDATOR® line.

For maximum flexibility and convenience, the PREDATOR Tri-Fuel Generator runs on gasoline, propane, or natural gas.

The 13,000 Watt starting/10,000 Watt running Tri-Fuel Generator has a powerful 458cc engine that provides reliable backup power for the home, jobsite, events, and emergencies. For increased mobility over tough terrain, it includes durable 10 in. flat-free wheels and a foldable handle.

The push-button electric start allows the user to easily turn the unit on or off with no manual choke required. A key fob is included so that the generator can be remotely started and switched off from up to 100 ft. away.

A single fuel-selector switch allows the user to choose between gasoline, propane, or natural gas. For added convenience, there is a propane and natural gas quick connection for the fuel source of choice.

Voltage, frequency, and runtime are easily monitored via the digital display, and the automatic idle down reduces noise and extends runtime when no load is detected.

The PREDATOR 13,000 Watt Tri-Fuel Portable Generator features CO SECURE® Technology that automatically shuts down the generator when harmful levels of carbon monoxide are detected. It is ANSI/PGMA G300 compliant and has GFCI-protected outlets that comply with OSHA.

The generator is backup ready with 240V/120V 50 Amp, and 30 Amp outlets.

The PREDATOR 13,000 Watt Tri-Fuel Portable Generator with Remote Start and CO SECURE® Technology is currently priced at \$1199.99 and is available only at Harbor Freight.

About Harbor Freight Tools

For more than 45 years, Harbor Freight Tools has been America's go-to source for affordable quality tools. The family-owned company started in Southern California in 1977, when 17-year-old Eric Smidt began transforming his father's small phone sales business into a successful mail order company, bypassing the resellers, dealing directly with factories, and passing the savings on to the customer. Since then, over 75 million customers have depended on Harbor Freight's quality and value to earn a living, repair their homes and cars, and pursue their hobbies.

The company opened its first store in 1980. Harbor Freight Tools is one of the nation's fastest growing retailers, with more than 1400 stores across the country and opening two new stores every week. With 28,000 Associates, the company was recently certified as a "Great Place to Work™" and was listed in the top ten on Fortune's Best Workplaces in Retail for 2023. Harbor Freight has been recognized four years in a row by *Forbes* as one of the 20 best large companies to work for in retail, and one of the nation's Best Employers for Veterans. *Forbes* has also recognized Harbor Freight Tools as one of 20 best large companies for women to work for in retail, and one of the best large companies for diversity. The company has also been recognized for the past two years as one of the country's top employers in terms of diversity and inclusion by DiversityJobs.com, by *Fortune* as One of America's Most Innovative Companies and by *Newsweek* magazine as One of America's Most Trustworthy Companies both for 2023.

With core values of excellence and continuous improvement, Harbor Freight Tools works to constantly improve the quality of its products and this year will introduce more than 800 new tools and accessories so customers know that whatever they do, they can do it for less at Harbor Freight. Harbor Freight Tools locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm.
