HARBOR FREIGHT TOOLS ADDS 20V CORDLESS 3/8 IN. RATCHET TO ITS CUSTOMER-FAVORITE BAUER™ LINE

(April 29, 2024; Calabasas, CA) Harbor Freight Tools has added a 20V Cordless 3/8 in. Ratchet to its customer-favorite BAUER™ line.

Delivering the power and speed of a pneumatic tool, the Ratchet features a high-power motor that delivers 40 ft-lb of maximum torque at speeds up to 225 RPM to remove fasteners, including nuts, bolts, washers, and screws. The heavy duty housing handles up to 240 ft-lb of manual torque, while the variable-speed trigger provides maximum control.

The 20V Cordless Ratchet has a recessed head to fit into tight engine bays and small spaces, ball-dent socket retention keeps sockets secure, and an electric brake helps the user switch between fasteners quickly and efficiently.

The BAUER 20V Cordless 3/8 in. Ratchet has an ergonomic rubberized nonslip grip for added comfort and control, and all-metal gearing for long-lasting durability.

A BAUER 20V Cordless 1/2 in Ratchet is also available. Both are currently priced at \$59.99 and offer outstanding value. They are available only at Harbor Freight.

The 20V battery system is compatible with over 70 products within the BAUER 20V lineup. Battery and charger are sold separately.
