HARBOR FREIGHT TOOLS ADDS UPGRADED MECHANICS CART TO ITS POPULAR U.S. GENERAL® LINE

Customer Requested Purple Added to Color Choices

(April 17, 2024; Calabasas, CA) Harbor Freight Tools is adding an upgraded 30 in. 5-Drawer Mechanics Cart to its U.S. GENERAL® line, including full-width drawer latches and an integrated power port for charging batteries and tools while the lid is closed.

The U.S. GENERAL 30 in. 5-Drawer Mechanics Cart is available in nine colors, including slate gray, black, red, white, blue and—due to customer demand—purple.

The versatile cart doubles as tool storage and a rolling workstation.

The heavy duty all-steel Mechanics Cart has four 5-in. casters—two fixed and two locking swivel—for mobility and stability.

It features five drawers and a large top compartment which opens to 90° to provide maximum visibility of tools. The dual gas struts open smoothly and easily while holding the lid securely in place. A side can-holder allows for easy organization of tools and accessories.

With 15,000 cubic inches of storage space and a 700 lb. weight capacity, the Cart is engineered to store a wide variety of tools for the shop or home garage. The glossy, industrial powder-coated finish is rust-resistant.

A single barrel lock keeps tools safe and the spring-loaded latch-retention system keeps drawers securely closed when moving the cart. To minimize tool movement, each drawer has a pre-cut nonslip liner. Durable, full-extension ball-bearing drawer slides support up to 75 lb. per pair.

Sleek black trim and hardware come standard on all new 30-in. 5-Drawer Mechanics Carts.

Designed by Harbor Freight's engineering team, the U.S. GENERAL cart line adheres to precise, industry-leading standards.

Currently priced at \$279.99, the U.S. GENERAL 30 in. 5-Drawer Mechanics Cart offers outstanding value compared to the competition and is available only at Harbor Freight.

Explore the entire U.S. GENERAL line, including roll cabs, tool organizers, and accessories at www.harborfreight.com.

About Harbor Freight Tools

Harbor Freight Tools is America's #1 tool store, offering quality tools and unbeatable value to over 75 million professional and DIY customers. The family-owned company started in Southern California in 1977, when Eric Smidt began bypassing middlemen, working directly with factories, and passing the savings on to customers. The first store opened in 1980, and the company has grown to over 1500 stores nationwide. With 2-3 new locations opening every week, Harbor Freight is one of America's fastest growing retailers.

Harbor Freight puts people first...its customers and its 28,000+ team members. The company was recently certified as a "Great Place to Work™" for the second year in a row. It has also been recognized by Forbes as one of the 20 best large companies to work for in retail for four years in a row, one of the nation's best employers for veterans and one of 20 best large companies for women to work for in retail.
