

### HARBOR FREIGHT TOOLS TO OPEN TWO NEW LOCATIONS IN COLORADO SPRINGS, CO

#### Hiring to Begin for 30-60 New Jobs in the Community

(May 30, 2024; Calabasas, CA) Harbor Freight Tools has announced that it will be opening two new stores in Colorado Springs, CO. The new stores are expected to open this summer and will be located at 5677 Barnes Road and 20 Widefield Blvd., approximately 15 miles apart. Construction has already begun at both locations, using local workers and companies from the surrounding Colorado Springs area and official opening dates will be announced closer to opening.

“Colorado Springs has proven to be a terrific market for Harbor Freight Tools, both in terms of customer traffic and finding talented people to join our team of Associates,” said Trey Feiler, the company’s Senior Vice President, Real Estate and Construction. “Our research has shown that by adding these new locations to our existing East Fountain Boulevard and North Academy Boulevard stores, it will be even more convenient for our customers to discover that whatever they do, they can do it for less at Harbor Freight!”

Each store is expected to bring between 25 and 30 new jobs to the community, including Sales and Logistic Supervisors, Senior Associates, Sales Associates, and seasonal opportunities as well. Harbor Freight Tools offers a competitive starting rate along with a best-in-class retail benefits package that includes robust health coverage, and Thanksgiving and Christmas off. Harbor Freight provides stability and the opportunity to advance in a company that continues to grow, with over 28,000 Associates and more than 1500 locations nationwide.
