HARBOR FREIGHT INTRODUCES FIVE PROFESSIONAL GARDENING TOOLS TO ITS DOYLE™ LINE

Loppers, Shears, and Pruners All Come With a Lifetime Guarantee

(June 5, 2024; Calabasas, CA) Harbor Freight Tools is adding professional grade gardening tools to its DOYLE™ lineup, all with a 100% lifetime guarantee.

Available only at Harbor Freight, these five new tools have been engineered for the professional gardener, landscaper or dedicated enthusiast, a first for the DOYLE lineup.

They are:

DOYLE 31-1/2 in. Forged Steel Anvil Lopper, and 31-1/2 in Forged Steel Bypass Lopper

The DOYLE 31-1/2 in. Forged Steel Anvil Lopper makes powerful, quick cuts on thick, tough branches up to 1-1/2 in. in diameter and features a lever-action cutting head. For added comfort and control, the Lopper has ergonomically designed contoured cushion grips, and lightweight aluminum handles that reduce weight without compromising strength. The tool has a curved anvil to hold branches firmly in place while cutting.

Currently priced at \$44.99, the 31-1/2 in. Forged Steel Anvil Lopper offers incredible value compared to the competition.

The DOYLE 31-1/2 in. Forged Steel Bypass Lopper has a fully replaceable sharp-edged bypass blade to ensure precise, clean cuts on branches up to 1-1/2 in. in diameter, and an adjustable head for cutting. It is currently priced at \$39.99.

DOYLE 8-1/2 in. Steel Blade Bypass Pruner, and 7-1/2 in. Micro-Tip Pruning Shears

The DOYLE 8-1/2 in. Steel Blade Bypass Pruner has a bypass blade for precise cuts on delicate branches, leaves, and stems. The ultrasharp blade delivers a cutting capacity of up to 1 in. for a variety of pruning applications, and the head adjusts quickly and easily for cutting.

To reduce wrist strain during extended periods of use, the Bypass Pruner has a rubber shock absorber. The high-carbon, heat-treated steel blade is fully replaceable, and a free replacement blade is included.

Currently priced at \$24.99, the DOYLE 8-1/2 in. Steel Blade Bypass Pruner offers outstanding value.

The DOYLE 7-1/2 in. Micro-Tip Pruning Shears are ultrasharp and have double-beveled tapered tips for precise cuts on branches up to 3/8 in. in diameter. The narrow blades are designed for intricate pruning jobs for snipping, trimming, and shaping, particularly in tight spaces.

For maximum comfort and control, the Micro-Tip Pruning Shears have ergonomic grips and a spring-action design for gentle opening. Smooth-gliding edges provide effortless cutting. For long-lasting durability, the blades are constructed from hardened stainless steel.

The Micro-Tip Pruning Shears are currently priced at \$12.99.

DOYLE 24-1/2 in. Forged Steel Hedge Shears

The DOYLE 24-1/2 in. Forged Steel Hedge Shears are engineered with forged high-carbon steel blades for quick and clean trimming on thick hedges, branches, and shrubs. For additional reach, the Hedge Shears have 10 in. extended blades, while the bypass shears glide past each other for precise cuts close to the stem or root. For added durability and longevity, the heat-treated corrosion-resistant blades can be resharpened.

For comfort and control, the Hedge Shears have contoured cushioned grips, and lightweight, durable, aluminum handles.

The DOYLE 24-1/2 in. Forged Steel Hedge Shears are currently priced at \$34.99, less than half the price of the competition.

About Harbor Freight Tools

Harbor Freight Tools is America's #1 tool store, offering quality tools and unbeatable value to over 75 million professional and DIY customers. The family-owned company started in Southern California in 1977, when Eric Smidt began bypassing middlemen, working directly with factories, and passing the savings on to customers. The first store opened in 1980, and the company has grown to over 1500 stores nationwide. With 2-3 new locations opening every week, Harbor Freight is one of America's fastest growing retailers.

Harbor Freight puts people first...its customers and its 28,000+ team members. The company was recently certified as a "Great Place to Work™" for the second year in a row. It has also been recognized by Forbes as one of the 20

best large companies to work for in retail for four years in a row, one of the nation's best employers for veterans and one of 20 best large companies for women to work for in retail.
