CALABASAS, CA – Harbor Freight is introducing a 20V Brushless Cordless, 5 in. Pruning Saw to its popular BAUER™ lineup.

The lightweight pruning saw easily cuts branches up to 4-3/4 in. diameter and gets up to 162 cuts per charge.

Ideal for trimming, pruning, and limbing, the BAUER Pruning Saw has a high-performance brushless motor that delivers longer life, extended run time and more power than a brushed motor.

For increased user protection, the Saw has a trigger-switch lockout and a grip guard, while the ergonomic handle enhances the user's comfort during use.

It also has a low-kickback bar and chain for improved control and a 5 in. bar guide for precise cutting, and pruning.

Easy to maneuver due to its compact design, the BAUER 20V Brushless Cordless, 5 in. Pruning Saw is currently priced at \$59.99. It is available only at Harbor Freight. Battery and charger sold separately.
