CALABASAS, CA - Harbor Freight is adding a 1.5 Ton Off-Road Jack with PRECISE DESCENT CONTROL™ to its customer-favorite BADLAND™ lineup.

Designed with the off-road auto enthusiast in mind, the Jack has dual piston RAPID PUMP® technology and lifts up to 3,000 lbs. quickly and efficiently. It is ideal for SUVs, ATVs, and UTVs.

The Off-Road Jack meets or exceeds all current standards under the American Society of Mechanical Engineers' Safety Standards for Portable Automotive Service Equipment (ASME/PASE).

Engineered with PRECISE DESCENT CONTROL, the Jack has an easy to control lowering rate when loaded with a vehicle.

Built for durability and rugged conditions, the BADLAND 1.5 Ton Off-Road Jack has solid steel axles with sealed ball bearings for smooth operation, aluminum side plates, and stainless-steel hardware. Heavy duty flat-free wheels provide easy maneuverability over rough terrain, while the wraparound full-length steel skid plate provides stability over soft surfaces such as gravel and sand.

It has a jacking handle maneuvering lock, side carry handle, onboard saddle extension storage, and weather-resistant jack pump boots.

A locking adjustable height extension includes a rubber pad to protect against marring, and it has a rear wheel parking brake that keeps the jack in place when not lifting a vehicle. An integrated top handle allows for easy carrying.

Other new products being added to the popular BADLAND lineup include Winch Gloves. The Gloves are made with DuPont™ Kevlar® fiber to provide superior protection against scrapes and burrs when handling the winch rope.

All are available only at Harbor Freight.

For current pricing, and to explore the full BADLAND lineup including winches, ropes, and jacks, go to [harborfreight.com](https://www.harborfreight.com).

### **About Harbor Freight**

Starting in 1977 as a Southern California based mail order business, family-owned Harbor Freight has become America's leading tool store, offering unbeatable value to over 75 million professional and DIY customers. The company has assembled a dream team of engineers and experts from across the tool industry to develop an incredibly wide assortment of tools offered exclusively at Harbor Freight that deliver the same quality and performance as leading competitors but at a fraction of the price. With over 1600 stores nationwide, Harbor Freight is one of America's fastest growing retailers.

Harbor Freight puts people first...its customers and its 30,000+ team members. The company was recently certified as a Great Place to Work™ for the third year in a row. It has also been recognized by *Forbes®* as one of the 20 best large companies to work for in retail for five years in a row, one of the nation's best employers for veterans, and one of the 20 best large retail employers for women.

Harbor Freight locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm (although some store hours may vary).
