CALABASAS, CA - Harbor Freight has won a People's Choice Award at the 2025 Professional Tool and Equipment News (PTEN) Innovation Awards.

The ICON™ R1234YF A/C Manifold Gauge Set won the Air Conditioning Service category.

The five-star reviewed ICON set is designed for quick A/C charging, diagnostic checks, and recovery work on vehicles.

The 3-1/8 in. gauge maintains accuracy within +/- 2% of span for the first quarter of the scale, +/- 1% of span for the middle half of the scale, and +/- 2% of span for the last quarter of the scale.

It features a Compact 6 ball quick-connect coupler for more stable, safe, and convenient connections. For added convenience, a premium carrying case converts into a tool storage tray that fits easily into most tool storage drawers.

Results for the annual awards were determined by PTEN Readers who were invited to vote via an online survey.

To explore the full ICON lineup, including hand tools, shop tools, diagnostics, storage, and more, go to [harborfreight.com](https://www.harborfreight.com).

ICON is available only at Harbor Freight.
