

PRESS RELEASE

HARBOR FREIGHT INTRODUCES 20V HERCULES® BRUSHLESS CORDLESS PADDLE SWITCH GRINDER WITH FLATHEAD DESIGN AT SEMA

For Immediate Release
November 6, 2025

Contact: Donna Walker
Dwalker@HarborFreight.com

LAS VEGAS, NV - Harbor Freight introduced the 20V HERCULES® Brushless Cordless Paddle Switch Grinder with a new flathead design at SEMA today.

With its flat head, the Paddle Switch Grinder can easily access tight spaces while the low clearance allows the disc to get closer to the work surface than an angle-head grinder. The low-profile head also gives the user a clearer line of sight of their workpiece.

The HERCULES professional-grade Grinder is optimized for grinding, cutting, shaping, and other material removal.

Other features include an all-metal gearbox, ball-bearing motor, a paddle switch with lock-on that provides superior control, and an electric brake that can stop the wheel from spinning within two seconds.

For added precision, it has variable push button speed control – with a range of 3,000 PM to 11,000 RPM – allowing the user to match the speed to the application.

Offering incredible value compared to the competition, the 20V HERCULES Brushless Paddle Switch Grinder will be available in stores and online next Summer. It will be available only at Harbor Freight.

Members of the Harbor Freight team are available for media interviews onsite at SEMA. For Harbor Freight interview requests and media inquiries, please contact our Corporate Newsroom at Newsroom@harborfreight.com.

The SEMA show, which focuses on the automotive industry and showcases upcoming products attracts more than 161,000 attendees annually, including representatives from over 140 countries and 3,300 media representatives.

About Harbor Freight

Starting in 1977 as a Southern California based mail order business, family-owned Harbor Freight has become America's leading tool store, offering unbeatable value to over 75 million professional and DIY customers. The company has assembled a dream team of engineers and experts from across the tool industry to develop an incredibly wide assortment of tools offered exclusively at Harbor Freight that deliver the same quality and performance as leading competitors but at a fraction of the price. With over 1600 stores nationwide, Harbor Freight is one of America's fastest growing retailers.

Harbor Freight puts people first...its customers and its 26,000+ team members. The company was recently certified as a Great Place to Work™ for the third year in a row. It has also been recognized by *Forbes*® as one of the 20 best large companies to work for in retail for five years in a row, one of the nation's best employers for veterans, and one of the 20 best large retail employers for women.

Harbor Freight locations are open 7 days a week, Mondays through Saturdays from 8 am to 8 pm and on Sundays from 9 am to 6 pm (although some store hours may vary).
