CALABASAS, CA - Harbor Freight has added a 20V Brushless Cordless 4 ½ in. Compact Circular Saw to its professional HERCULES® lineup.

The Compact Circular Saw has a powerful 4800 RPM brushless motor that provides smooth, clean cuts on a variety of tough materials. It cuts over 250 ft. of ½ in. OSB (oriented strand board) per charge, and cuts through 2 in. x 4 in. lumber at 90°.

Featuring all-metal gearing for maximum tool life, the HERCULES Compact Circular Saw has a durable stamped steel shoe that has easy-to-read sight line indicators for 90° and 45° bevel cuts, and a 0-45° bevel for precise and accurate angled cuts.

For quick blade changes, the Circular Saw has onboard wrench storage, and it has a rafter hook for handy storage between uses. An ergonomic grip provides added comfort, and the incorporated dust port helps to keep the work area clean during use.

Offering exceptional value compared to the competition, the 20V Brushless Cordless, 4 ½ in. Compact Circular Saw is available only at Harbor Freight. A professional circular saw blade is included. Battery and charger are sold separately.
